

Is this your boy?

Is he too weak and sickly to join his companions in play, and are you helpless in spite of your utmost efforts to make him well?

What have you done toward building up his blood? Pure, red blood is what he needs most, if he is to become active and strong. It is the lack of it that causes his palor, listlessness, poor appetite, lack of ambition, sleeplessness and shortness of breath.

Have you given him Dr. Williams' Pink Pills for Pale People? They are the remedy every growing boy or girl needs to build up the blood and bring health, strength, a good color, a hearty appetite and strong nerves.

Mrs. John Blake, whose address is R. F. D. No. 2, Verona, N. Y., says: "We had Howard treated by a doctor for several weeks but he became no better. He had scarcely any blood, was thin, weak and badly run down. We felt that something had to be done quickly and turned to Dr. Williams' Pink Pills. They started to build up his blood at once. His color became healthy, he grew stronger and in a few weeks was as well as ever."

Dr. Williams' Pink Pills for Pale People are valuable in all diseases where the blood is at fault, as in chlorosis, rheumatism, after-effects of the grip and fevers, headaches and all run-down conditions.

An instructive booklet, "Building Up the Blood" will be sent free upon request.

Get the pills from your druggist at 50 cents per box, six boxes for \$2.50 or from the

John Sawyer, Who Died Recently, Had Reached Age of 77 Years.

John Sawyer, the subject of this sketch, was the son of Mark and Abigail Bayley Sawyer, born in Topsham, July 4, 1836, and died at the home of the only surviving daughter, July 20, 1913. He was the seventh and only surviving member of a family of nine children. In November, 1863, he felt the call of his country to enter the life of a soldier, going out in Co. H, first regiment, of Vermont artillery, and was discharged May 20, 1905, making a little less than one and one-half years in the service of his country.

On January 1, 1867, he was united in holy wedlock to Miss Clara E. Dickey. They were blessed with two daughters; one died in infancy, the other, Mrs. J. E. Mills, with whom the deceased spent his last days, and who, with her husband, did all in their power to carry the burdens of the deceased in his declining years. The disease began to do its work upon the body in 1890, which was first realized in his failing eyesight.

In the year 1880 and during the pastorate of David Kilburn, the deceased felt the call of the divine Master into a consecrated Christian life. Thus he became a member of the Waits River Methodist Episcopal church, and since that time he had been a faithful, loyal support of the church until the Master said, "Come up higher."

The funeral service was held at his late home, the pastor, Rev. O. L. Barnard conducting the service and speaking from 1st Timothy 4:7. That which was mortal was borne to the cemetery at Topsham to await the resurrection morn.

## ECZEMA ITCHED AWFULLY ON HEAD

Thought Would Go Wild, Dry and Flaky. Hair Nearly All Came Out. Used Cuticura Soap and Ointment Three Months. Head All Cured.

39 Atkinson St., Bellows Falls, Vt. — "I had eczema on my head and it itched something awful. It seemed sometimes as though I would go wild. The eczema was dry and flaky. One day I combed it hard with a fine comb and made it all raw. My hair nearly all came out gradually so I had a small twist of hair and did not use but one hairpin to hold it.

"I tried — but in vain; it did no good. Then I thought I would try Cuticura Soap and Ointment. I used them three months and then my head was all cured and my hair began to grow so it is quite thick now. I have four times as much as I had." (Signed) Mrs. Ellen W. Adams, Nov. 16, 1912.

## FOR PIMPLES AND BLACKHEADS

The following is a most effective and economical treatment: Gently smear the affected parts with Cuticura Ointment, on the end of the finger, but do not rub. Wash off the Cuticura Ointment in five minutes with Cuticura Soap and hot water and continue bathing for some minutes. This treatment is best on rising and retiring. At other times use Cuticura Soap freely for the toilet and bath, to assist in preventing inflammation, irritation and clogging of the pores, the common cause of these distressing facial eruptions. Sold throughout the world. Liberal sample of each mailed free, with 32-p. Skin Book. Address post-card "Cuticura, Dept. T, Boston."

Men who shave and shampoo with Cuticura Soap will find it best for skin and scalp.
